Sub: Visit and consultation by National FRA committee, reg.

Dear Sir,

The Ministry of Environment and Forests and the Ministry of Tribal Affairs, Government of India, have jointly set up a Committee to examine the implementation of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act 2006. I am enclosing the notification of the Committee providing the composition and Terms of Reference.

In this connection the Committee is organizing a series of public consultations and field visits in various states, in collaboration with relevant government agencies and civil society organizations.

The consultation during the visit to the state, including the field visits, would be open to various sections of society who have experience with the implementation of the Act, including both civil society and governmental representatives. Additionally, the Committee would like to interact separately with senior government officials including yourself and senior officials of tribal, forest, and other relevant departments.

I would be grateful for your facilitation of the visit of the committee and also provide logistic support to the committee.

Yours sincerely,

(Rakesh Kumar Dogra)
